

The POOLS

Come on in. The water's more than fine at The Pools, an oasis of a park for all the residents of Great Park Neighborhoods. But don't let the name fool you. The Pools is about so much more than the pools. Because there's plenty to do on dry land, too. So get ready to swim, volley, gather, cook, lounge, exercise or whatever else you can think of in 8 acres of awesomeness.

1

OUTDOOR FITNESS & TRAINING AREA

Getting fit just feels better when you do it outside. (We think it has something to do with the fresh air.) We even have equipment for you to use, so no excuses.

2

FAMILY POOL

Marco...Polo. Spend some quality time doing some quality splashing, and rightfully claim your title of "cool parent." Need a break? Recharge your batteries...and your phone...in a poolside cabana.

3

JR. OLYMPIC POOL

Get in your daily laps. Or challenge your neighbor to a race (loser is in charge of the post-swim cookout in the BBQ area).

4

GREAT LAWN

It's just what the name suggests. It's great. And it's a lawn. It also happens to be an awesome place to spend the day.

5

SAND VOLLEYBALL COURTS

Put your feet in the sand. And some power in your serve.

6

CHILDREN'S ACTIVITY BUILDING

Throw a birthday party. Take an art class. Do a craft or two. This fun space is perfect for kid-centric gatherings.

7

THE POOLS CLUBHOUSE

It's yours to use for parties, small gatherings, or any other reason why you might need a super-cool, waterside space with not one but two outdoor kitchen areas.

8

CHILDREN'S PLAY AREA

Let the kids run and play on the creative play structures and in the whimsical maze. It's the place to be for the under-10 set.

9

CHILDREN'S POOL

Break out the floaties, because this pool is for the little ones only. After all, shallower water makes for happier kids (and less nervous parents).

10

THE SPAS

Say it with us, "Aaaaah." Now repeat three times, for each of our soothing spas.
